

What is Ascend?

Ascend is a national organization, which focuses on leadership in professional finance and accounting. Our mission is to help accounting and finance students to be fully equipped in the corporate environment.

Why Ascend?

- Apply for various scholarships from Ascend's sponsors
- Create social networking among professional members and peers
- Participate in the yearly mentoring program lead by real world professionals
- Learn to prepare resumes and practice interview skills with experienced experts
- Adopt the concept of correct mannerism and professionalism for corporate setting

Get Involved Today

You are invited to join our committees. It's a great way to provide leadership, build your personal networks, and contribute to the influence and development of your professional association.
